

2018 Mazda Contingency Awards Program Payouts and Requirements

Mazda Motorsports supports our racers with technical support, discounted parts offerings, contingency awards, and more. Contingency awards are offered for select racing categories and classes for both grassroots and professional racing series. Mazda pays more contingency awards in North America than any other auto manufacturer. This is just one reason why there are more Mazda's road raced in North America than any other auto manufacturer.

There are Four Eligibility Requirements

1. **The Mazda competitor must be enrolled as a Mazda Team Support Program (MTSP) member** prior to competing for contingency awards and been issued (emailed) an MTSP number (BXXXX). To enroll, visit <https://www.mazdamotorsports.com/get-started/team-membership/>
2. With first contingency awards request, the Mazda competitor must submit a **photo of him or herself in a driver's suit** (without helmet) showing the 5-inch Mazda patch sewn on or embroidered in the pocket area. (Not required for Solo competitors.) To order (Qty 1), part #: 0000-10-PTCH-05
3. **The Mazda race vehicle must fit within one of the following categories:**
 - a. Mazda production vehicle with modified or stock bodywork using original Mazda engine or another approved Mazda engine.
 - b. Mazda-powered, purpose-built race vehicle using Mazda approved "silhouette" bodywork.
 - c. Mazda-powered, purpose-built race vehicle (i.e. sports racing car and formula/open wheel racing car) using a stock or modified Mazda engine.
4. **The Mazda race vehicle must be logo compliant** - as follows:
 - a. **Sports cars:** The 16-inch or 22-inch Mazda decal is to be placed on the front nose or front hood of the race car. (note: 16-inch Mazda decals will be required for the front nose/hood starting in 2019.) The 22-inch Mazda decal is to be placed on both rear fenders/quarter panels; to order the decals (color-specific), the part numbers are: 0000-10-0022-XX (The XX would be "BK" for black, "SL" for silver, "WH" for white, and "CH" for chrome; those are the only compliant colors.)
 - b. **Formula cars:** The Mazda Winged M with Mazda name underneath (i.e. Mazda stacked logo) is to be placed on the foremost part of the front nose; centered on sports racers. To order (Qty 1), part #s: 0000-10-WM16-XX (The XX would be "BK" for black, "SL" for silver, "WH" for white, and "CH" for chrome; those are the only compliant colors.); in addition, the 16" Mazda logo decal (part #: 0000-10-0016-XX) or 22" Mazda logo decal (part #: 0000-10-0022-XX) must be placed on both sides of the engine cover.
 - c. **All cars:** The decal must be an exact match (i.e. font, size, etc.) of the Mazda decals provided by Mazda Motorsports; the color must contrast with background color of the race vehicle, so logo is legible from afar.
 - d. **All cars:** Mazda decals must be placed on a single, **contrasting** color (e.g., no stripes or multi-color background behind logo is permitted).
 - e. **All cars:** The Mazda logo may not be altered - no outlining, shadowing, offsetting, curving, etc.
 - f. **All competitors** must submit current, **color** photographs of the front & sides of the race vehicle with the first contingency request.
 - g. **All cars:** If photos submitted show unauthorized Mazda logo usage, the competitor will be asked to correct the issue and submit new photos; once compliance is confirmed, contingency will be paid; however, **for each non-compliant submission for any competitor who has been an MTSP member for one year or more, and previously submitted for contingency awards, payment will be reduced by 50%.**

Payout Reductions are Based on Number of Class Competitors & Timeliness of Submitting

Mazda competitors are eligible for contingency for only one year-end point's championship per class, per sanctioning body. Mazda reserves the right to modify or cancel any contingency award payout.

Mazda Motorsports must adhere to the rules set below and is not able to make exceptions. Please read carefully. Any questions, call James Painter, specialist, Mazda Motorsports at 800.435.2508. Thank you for your understanding.

To earn full Mazda Contingency Award payout for *RACES*, the Mazda competitor must finish ahead of at least four competitors. Payout reductions are applied for finishing ahead of three or fewer competitors:

- If the Mazda competitor finishes ahead of only *three* class competitors, the award amount is reduced by 15%.
- If the Mazda competitor finishes ahead of only *two* class competitors, the award amount is reduced by 25%.
- If the Mazda competitor finishes ahead of only *one* class competitor, the award amount is reduced by 50%.
- If the Mazda competitor does not finish ahead of any class competitors, there is no award provided.

To earn full Mazda Contingency Award payout for *POINT'S CHAMPIONSHIPS*, the Mazda competitor must:

- Compete in at least 50% of the championship races for series **with fewer than 18 races** (i.e. 17 races or fewer)
 - Competitor must also finish ahead of at least three class competitors who competed in at least 40% of the championship races with fewer than 18 races.
- Compete in at least 40% of the championship races for the series **with 18 races or more**
 - Competitor must also finish ahead of at least three class competitors who competed in at least 30% of the championship races with 18 races or more.

If the competitor does not finish ahead at least three racers who competed in at least 40% of the championship races with fewer than 18 races OR 30% with 18 races or more, then reductions are applied as follows:

- If the Mazda competitor finishes ahead of only two class competitors who met the requirements, the award amount is reduced by 25%.
- If the Mazda competitor finishes ahead of only one class competitor who met the requirements, the award amount is reduced by 50%.
- If the Mazda competitor does not finish ahead of any class competitor who met the requirements, the award amount is reduced by 75%.

Contingency request forms (along with official race results, photos and a W-9 form) must be postmarked within 45 days of the event to receive full contingency payment. If they are postmarked late by more than:

- 45 days, payout will be reduced by 25%.

- 120 days, payout will be declined.

The entry form must show the sanctioning organization or club; confirmation of entry fee payment; competitor's team name and all driver's names who competed.
- Your W-9 form.
 - A **November 2017** W-9 can be downloaded at (IRS site) - www.irs.gov/pub/irs-pdf/fw9.pdf

For each subsequent contingency submission, the competitor must submit a contingency request form and race results per the guidelines outlined above.

The Contingency Awards Payment Process Has Four Steps

Four steps:

2. If this is the first contingency award earned, competitor will be mailed a Mazda Reward Performance (RPM) MasterCard with funds on it;
3. Keep the RPM card as all subsequent payments will be electronically applied to it;
4. To use the RPM card, activate it by logging on to www.consumercardaccess.com/mazdacard; then set up a user ID and password. The activation code is the last four digits of your Social Security # or Federal Tax ID #.

The cars are first generation 1.6L- and 1.8L-liter spec Miatas, 1990 to 1997, and will compete in a six-race points championship. Each weekend will crown a Mazda Miata Heritage Cup race event winner. The races will be given a distinct class, but will be presented on SVRA event weekends at the following five venues: **Savannah's Roebling Road** (Feb. 16-18), **Road Atlanta** (March 28-31), **Auto Club Speedway** (April 27-29), **Road America** (May 17-20), **Mid-Ohio** (June 21-24), and **Virginia International Raceway** (20-23).

To further reward those who participate in these events in 2018, each participant will earn a \$250 contingency bonus per race weekend regardless of finishing position and number of class starters. Competitors must submit contingency request forms timely, as per the requirements on page 2.
