2024 Contingency Awards Program Payouts and Requirements

While Mazda Motorsports' parts support program may be the most valuable part of being a Mazda Team Support Program member for most Mazda racers, Mazda's contingency awards program has paid tens of millions of dollars across thousands of racers over the years.

Whether it's grassroots or pro racing, sprint or endurance, sports car or open wheel, autocross, road racing, time trials, rally or circle track racing, Mazda powers it, and Mazda powers its racers through the best contingency award program in the country.

From prize money valued as low as \$100 for a 5th place autocross finish to help keep you on track, to as high as a quarter-million dollar cash prize for the Idemitsu Mazda MX-5 Cup presented by BFGoodrich® Tires champion, Mazda has a comprehensive program built for the weekend warriors to those who aspire to compete in IMSA.

2. With the first contingency awards request, the Mazda racer must submit a **photo of himself or herself in a driver's suit** (without helmet) showing the 5" Mazda patch sewn on or embroidered in the pocket area. (Not required for autocrossers.) To order (Qty 1), part #: 0000-10-PTCH-05

 - a. **Sports cars:** The 16" Mazda decal is to be placed on the center of the front nose/hood the race car, parallel to the front edge of the hood.  - v. If photos submitted show unauthorized Mazda logo usage, the racer will be asked to correct the issue and submit new photos; once compliance is confirmed, contingency will be paid; however, **for each non-compliant submission for any racer who has been an MTSP member for one year or longer, and previously submitted for contingency awards, payment will be reduced 50%.**

Payout Reductions

Based on Number of Class Racer & Timeliness of Submitting

Mazda Motorsports must adhere to the rules set below and is not able to make exceptions. Please read carefully. Any questions, call James Painter, specialist, Mazda Motorsports at 800.435.2508.

Mazda racers are eligible for contingency for only one year-end point championship per class, per sanctioning body. Mazda reserves the right to modify or cancel any contingency award payout.

Finishing ahead of a class competitor that is marked as “did not start” or “disqualified” will not be included.

To earn full Mazda Contingency Award payout for *POINT CHAMPIONSHIPS*, please see each series' respective requirements for payout in the following pages.

Contingency request forms (along with official race results, photos and a W-9 form) must be postmarked within 45 days of the event to receive full contingency payment. If they are postmarked more than:

- 45 days, payout will be reduced by 25%;
- 90 days, payout will be reduced by 50% (in total); or
- 120 days, payout will be declined.

Requests for corrections to paperwork will be granted a four-week extension for the racer to re-submit from the time of notification. If submitted after four weeks, but before eight weeks, a 50% payout reduction will be applied. If submitted eight weeks or later after notification, payout will be declined. Notifications are made via email.

The Time Trial Experience

<https://timetrials.scca.com/pages/philosophy>

TT National Tour events are designed to be highly engaging, accessible and inclusive. Camping at the track is encouraged. Friends and family are welcome, and food and drink is available on site.

Competition is only one aspect of the Time Trial experience which also includes social elements, personal challenge, partner engagement, food, media, photography and fun. Each of these elements are crafted to create an experience where every participant has the opportunity to enjoy the event, regardless of finishing position.

Most importantly, the on-track experience is facilitated. Each group has a coach and each session has a debrief. The coach's job is to make sure everyone approaches the event from the perspective of "Same Team," with shared goals of clean laps and safe, fun and fair competition.

Contingency Awards: Mazda Pro Driver Coaching via Racers360

To support the philosophy of Time Trial, where it's not all about winning (though a component is to improve on course), Mazda Motorsports will offer three Mazda drivers, per event, 1:1 coaching from Mazda Motorsports' pro drivers/coaches using the Racers360 platform. Each of the three Time Trial winners will be selected via a random draw during the first SCCA driver's meeting at the each event.

Mazda drivers chosen for this incentive will use their camera or data acquisition device; pull video or data from it; and upload to the Racers360 platform for the Mazda Motorsports pro driver to receive and provide feedback. If the Mazda driver doesn't have his or her own device, the SCCA, with the help of ApexPro, will loan the driver a device to capture the data. Feedback is to be used at the cautionary discretion of the driver. The driver is responsible for his/her actions and decisions on the racetrack (control of their car), not the driver coach, Mazda Motorsports, or Racers360.

Mazda provides a Tow Fund to Runoffs' competitors who won their Regional Point Championship. The **payout is calculated using driving distance (one way)** to Utah Motorsports Campus (zip code 84074) from driver's zip code on record with Mazda. Mazda will use the Zip Code Distance Calculator located at www.zip-codes.com/distance_calculator.asp to determine mileage and payout. (See payout schedule below.) Mazda's Tow Fund payout rules apply to the race vehicle - if the participant is racing the car in more than one class, competitor is eligible to receive tow fund payout for only one class.
